

SEP+ Products: Solar Street Light With Camera WiFi 4G Project Outdoor  
Lighting Solar Road Light

# INTEGRATED SOLAR ENERGY WIFI/4G MONITORING MODEL

Full day recording with continuous  
electricity throughout the year

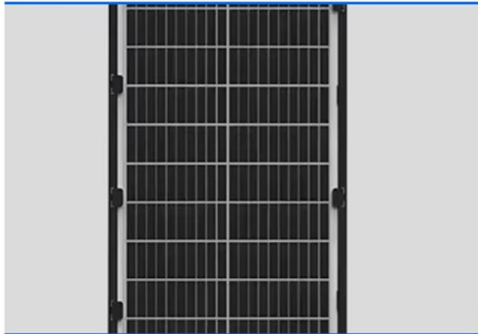

**SOLAR ECLIPSE  
POWER PLUS  
LIMITED LLC**

 intellisense	 Efficient solar panels	 Efficient and energy-saving	 Easy installation
 No drilling free installation	 Rain and lightning protection	 High capacity battery	 High conversion efficiency

## 01 High brightness LED beads

High brightness LED beads, sufficient brightness, long service life, energy-saving and power-saving

## 02 Efficient solar panels

High light efficiency conversion rate, fast charging time, 24-hour continuous charging

## 03 HD camera

High definition video recording, remote control, voice intercom, anti-theft alarm
